

**REMARKS**

In the January 9, 2007 Office Action, the drawings are objected to for failing to show item 13. The currently pending claims 2-6 are allowed.

Per the telephone interview with Examiner Rinehart on April 5, 2007, Applicant notes that both Figures 1 and 2 are found on the first sheet of drawings, and item number 13 is found in upper left hand corner of Figure 1. Accordingly, Applicant requests withdrawal of the objection to the drawings. Since all of the claims have been allowed, Applicant believes that the application is in condition for allowance. Prompt and favorable treatment is respectfully solicited.

Please charge any deficiency in fees, or credit any overpayment thereof, to BLANK ROME LLP, Deposit Account No. 23-2185 (125950-00101). In the event that a petition for an extension of time is required to render this submission timely, Applicant hereby petitions under 37 C.F.R. § 1.136(a) for such an extension for as many months as are required to render this submission timely, and request that the PTO charge the extension fee to the deposit account as authorized above.

Respectfully submitted,
